Dedication

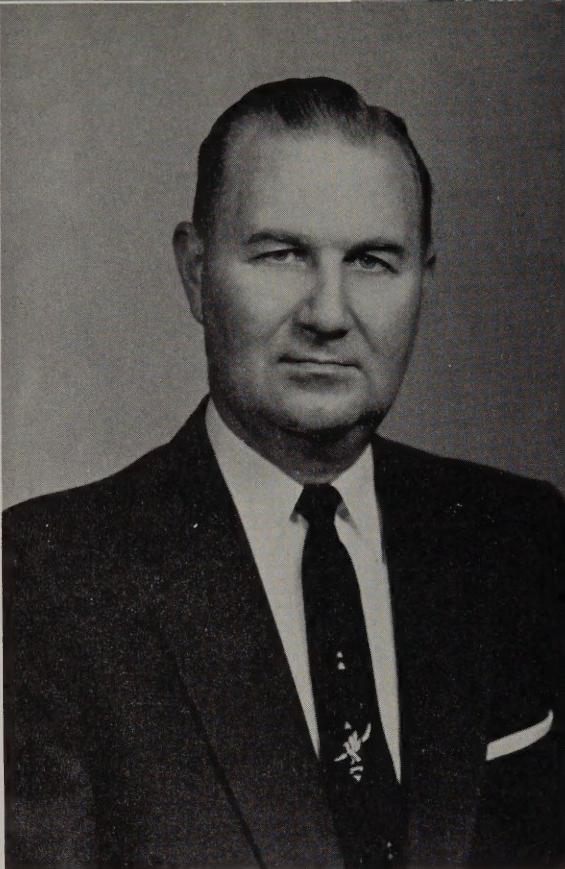

We, the Class of 1960, proudly dedicate this Arrow to you, Mike Hibbs. Your generosity and friendliness have made you a wonderful classmate and your humor and sense of fair play has won you many friends. Your scientific mind opened a world of fascination to you and others. Since your unfortunate accident, you have been constantly in all our hearts. It seems that now it should be your turn to receive our friendships, our generosity and our consideration, but somehow we are still on the receiving end. Thank you for your constant inspiration to us, not only to our athletic teams, but to us as individuals.

Class History

One hundred and one scared little freshmen entered the Washington Building in September of 1956. Awed by the upperclassmen and the new way of doing things, we nevertheless managed to elect our class officers. We chose Sharon Thompson for President; Bill McCormick, Vice-President; Judy Pollock, Secretary; Gary Anderson, Treasurer; and Jack Long, Major Boddicker, and Keith Meyer for Student Council.

Gradually adjusting to our environment, we settled down to a balance of work and play. We felt better knowing we weren't the youngest any more. Our leaders this year were Jack Mitchell, President; Sharon Thompson, Vice-President; Bill McCormick, Secretary-Treasurer; and Jack Long and Major Boddicker, Student Council.

Our first year as upperclassmen was spent working hard to earn money for the Junior-Senior Prom. This was also the year we got to wear the coveted class rings. We worked many happy hours to present our Prom theme, "Springtime in Paris," and our efforts were rewarded. Our hard working officers this year were Major Boddicker, President; Sharon Thompson, Vice-President; Judy Pollock, Secretary; Marcia Moody, Treasurer; and Bill McCormick and Jack Long, Student Council.

And all at once our senior year has come and gone. Our last year was the most fun of all with the all-school play, skip day, private parties, and, finally, graduation. Our officers for this year were Major Boddicker, President; Morris Tilson, Vice-President; Judy Pollock, Secretary-Treasurer; and Jack Long and Bill McCormick, Student Council.

The knowledge that we gained from V.H.S. will be ours to use for many, many years. But the fun we had and the many friends we made will be ours for reminiscing long after our knowledge has been surpassed by the younger generation. Thank you, V.H.S., for the best four years of our lives.

Track

Coach Bob Higby has six returning lettermen this year. They, along with several newcomers, hope to improve Vinton's track team. It is hoped that the new track will be ready for this season and competition will be at its highest.

Baseball

Ten returning lettermen will bolster the Vikings this spring. Coach Roy Johnson hopes to improve the Viking's fine record of last year. Seven senior lettermen will play their last athletic contest for the Vikings.

Basketball

The Vinton Vikings suffered a let down this season but Managed to compound a nine won, twelve loss record. The all senior five, coached by Roy Johnson, suffered several close losses but managed to come around fast at tourney time and at this time, the Vikings were still playing in the sectional tournaments.

Jack Mitchaell was Vinton's leading scorer, followed by Gary Anderson and Ronald Selken. All three had over 200 points for the season.

Football

The Vinton Vikings, coached by Bob Higby, captured a share of the Wamac Conference title while winning six, losing one, and tieing one. The title was the first in many years for Vinton. Vinton's starting eleven was composed of all seniors and their performances will be missed sorely next year. Jack Mitchell and Major Boddicker were co-captains this past season. Gary Anderson was voted by his teammates most valuable player.

Wrestling

Coach Mel Waldon guided his vastly improved grapplers through their second season for the Vinton Vikings. Although only winning two of thirteen dual meets, the Viking showed vast improvement throughout the season. The Vikings were commended for sportsmanship on the mat as well as off. We are all proud of Coach Mel Waldon's team and are looking forward to next year.

The following are Vinton's best individual mat men for this year and their records.

Gary Tharp 12-3
Keith Spaulding 11-2

Foreign Exchange Student

"C'est la vie!" exclaims Harold after being introduced to American ways of living.

Harold Cool is our French speaking foreign exchange student who came this year from Belgium.

With committees and sponsors selected we were prepared to receive "our" student through the efforts of the French Club and Student Council.

Although we had difficulty in understanding him at first, we soon grew to love Harold's warm personality and were delighted by his loyalty to our pride, Washington High.

Harold has set a good example for us in learning to understand people from other countries and has paved the way for foreign exchange students to come.

Best of luck in

Bobbie

Dear Feng,
Don't think I'll

Shan.

Mary,
I sure hope
you never get in
a class where nobody
believes in cheating
because somehow
I just don't think that
you would make it.
Now if you think that
I am implying that
you don't do your own
work you're right!
The best of luck to an
interesting? girl. At
least you're different.

Janet

Dear Mary,

May 9, 1960

Dear Mary,

No words (at least not any I should use) can express the bang-up job we've done to things in the past two years. What a riot! Remember the trips to Cedar Rapids, slumber parties, shows, swimming pool episodes and the cheating work that neither of us could get along without. Remember bowling that Sunday and then when we went home and called you know who on the phone, chewing clever to disguise our voices. What fun!

Then the most important thing this year was our ambition to capture two people. I'm just about ready to give up hope, but it sure was fun, wasn't it? It was worth it even if we don't get them. Remember the letter we sent in to have them publish our beautiful artistic work. I sure hope they do! M.C.K. and W.V.J. don't seem to wake up to the fact that we're alive.

Remember eighth grade? WOW! And then came our freshman year. Skipping classes and copying work seemed to be the main events. Then the hours to hour and a half telephone conversations that we carry on every night.

Well, that about sums up this last year. We had only one fight and that didn't last very long so we did pretty good.

I'm really looking forward to this summer when we will share even more good times. I bet we'll really have a ball according to some of the plans we've already made.

You just keep that darn swell personality and that determination to get W.V.J. and you are bound to succeed. (in getting married). Well, all I can say is - it sure has been fun!

Sots of luck
(Rotsa ruck)!!
